Paras Salunke

FY CSE Student @MITADT | Frontend Developer React JS |
Enthusiastic about Prompt Engineering & Using Ai tools
Pune, Maharashtra, India

Summary

Welcome to my LinkedIn profile! I'm Paras Nitin Salunke, Currently a
first-year B.Tech student majoring in Computer Science at MIT ADT
University, Pune. I am deeply passionate about leveraging Artificial
Intelligence tools to enhance work efficiency, with a particular
interest in Prompt Engineering. In addition to this, I have developed
proficiency in website development, utilizing languages such as
React,js + Vite, HTML, CSS, and Javascript. My skills extend to
Python programming, further solidifying my foundation in the field
of Artificial Intelligence. I am committed to continuous learning and
applying these skills in practical scenarios.
